THE TALES OF TWO CITIES September 15-19 (5 days/4 nights)

Mark your calendars now for a fall excursion to Minneapolis/St. Paul, Minnesota. Visit the Walker Art Center with its extraordinary sculpture garden. Walk back in time at historic Fort Snelling, an 1820s military outpost in the Northwest frontier. Visit the Mill City Museum which provides a multi-sensory, interactive journey while telling the story of flour milling — and its impact on Minneapolis, the nation, and the world. The story comes to life through the eight-story Flour Tower and other hands-on exhibits.

Experience historic homes, museums and other cultural delights of the Twin Cities. Tour Wollersheim Winery on the way home. Check the Kenosha Public Museums' spring program schedule for all of the highlights and details.
